

TRINITY COVID-19 DASHBOARD

To protect the health of our School Community and per the Emergency Order issued by the Michigan Department of Health and Human Services [Reporting of Confirmed and Probable Cases of COVID-19 at Schools](#) on October 6, 2020, Trinity Lutheran School will use this webpage to provide Public Notice to our School Community regarding School Associated Cases of COVID-19. Within 24 hours of being notified of a School Associated Case by Bay County Health Department, this dashboard will be updated to include new and cumulative COVID-19 case counts. Individuals identified as Close Contacts of School Associated Cases will be notified separately and directly by Bay County Health Department.

Updated: Nov. 11, 2020

STATUS OF INSTRUCTION AND SCHOOL-SPONSORED FUNCTIONS

- **Instruction:** Instruction is in-person for the majority of the student body, with a small percentage (18%), choosing remote learning.
- **School-Sponsored Functions:** Limited and unchanged.

SCHOOL ASSOCIATED COVID-19 CASES

On October 6, 2020, Trinity was aware of the following case counts of School Associated Cases of COVID-19 amongst the Trinity Lutheran School Community. This data includes probable and confirmed cases as reported by Bay County Health Department among students, staff, administration, coaches, or visitors, if the person with COVID-19 was in the building or participating in a school-sponsored function during their infectious period.

As a precaution, we will be disinfecting applicable areas of the school. This may include spraying classrooms, hallways, locker rooms, and common areas, as needed, with a sanitizer, along with other methods of disinfection.

ACTIONS YOU CAN TAKE

We recommend taking action to help limit the spread of COVID-19, even if staff members or students are not experiencing symptoms:

- **Wear a mask** (covering mouth and nose) when around people with whom you do not live.
- **Practice social distancing** (maintaining a distance of 6 feet apart).

- **Practice frequent handwashing** (using soap for 20 seconds or hand sanitizer with at least 60% alcohol).
- **Follow [capacity restrictions](#)** of social gatherings.
- **Cover coughs and sneezes** with a tissue or with the inside of your elbow and immediately wash your hands.
- **Stay home if you are sick**; you can also [get tested](#).
- **Answer the phone if the health department contacts you**, as a contact tracer may be trying to reach you with important information.

This information does not mean you should quarantine or isolate. Those members of the School Community who were or are suspected to have been in Close Contact with a School Associated Case will be notified by Bay County Health Department and/or Trinity Lutheran School.

Thank you for understanding that, due to medical privacy laws, we are not able to release the names of the individuals with COVID-19. We will continue to communicate changes and updates with you. With your participation, we believe we can maintain a safe environment while also providing quality education.

If you have any questions, contact Bay County Health Department. For answers to your COVID-19 questions, please call the Michigan Department of Health and Human Services COVID-19 Hotline at 888-535-6136 or visit Michigan.gov/Coronavirus.
